An Garda Síochána

‘Working with Communities to Protect and Serve’

The prevention and reduction of crime is in everybody’s best interest. The Gardaí cannot fight crime on their own; the help, support and cooperation of the community is required. Everybody has a role to play in attempting to prevent and reduce crime and all members of the community are encouraged to actively consider how they can contribute to this goal. The Crime Prevention page of the Garda website (www.garda.ie) provides a significant amount of information that can help you prevent crime, improve your own security and safety, reduce the fear of crime and the risk of it occurring.

The following short tips can also assist:

Personal Safety

- Be aware of your surroundings, be ‘streetwise’
- Avoid travelling alone, where possible
- Avoid walking alone at night
- Keep cash on your person to the minimum
- Be alert to the dangers of pickpockets
- Keep wallets and purses out of sight
- Keep hand or shoulder bags close to the body and not dangling by the straps
- Be alert to the dangers of using mobile phones in public
- If travelling by public transport, sit as close to the driver or exit as possible
- If travelling by car, keep all doors locked
- Be alert when parking and getting out of your vehicle

Vehicle Security

- Ideally, do not leave property in cars or other vehicles
- Be especially careful with small electronic equipment e.g. Sat Navs, digital cameras, mobile phones etc.
- Close all windows and lock all doors
- If you must leave property in cars, do not leave property on view
- Do not leave cash, credit / debit cards, cheque books in your vehicle
- Do not leave personal / valuable documents in your vehicle e.g. utility bills, bank statements etc.
- Avoid parking in isolated places and, at night-time, park with care in a well-lit area
- Always lock bicycles to an immovable object

Home Security

- Never leave keys under doormats, pots etc.
- Ensure your doors and windows are robust and ‘fit for purpose’ from a security perspective / standard
- Always lock your doors and close your windows when you go out

‘Working with Communities to Protect and Serve’

The prevention and reduction of crime is in everybody's best interest. The Gardaí cannot fight crime on their own; the help, support and cooperation of the community is required. Everybody has a role to play in attempting to prevent and reduce crime and all members of the community are encouraged to actively consider how they can contribute to this goal. The Crime Prevention page of the Garda website (www.garda.ie) provides a significant amount of information that can help you prevent crime, improve your own security and safety, reduce the fear of crime and the risk of it occurring.

The following short tips can also assist:

Personal Safety

- Be aware of your surroundings, be ‘streetwise’
- Avoid travelling alone, where possible
- Avoid walking alone at night
- Keep cash on your person to the minimum
- Be alert to the dangers of pickpockets
- Keep wallets and purses out of sight
- Keep hand or shoulder bags close to the body and not dangling by the straps
- Be alert to the dangers of using mobile phones in public
- If travelling by public transport, sit as close to the driver or exit as possible
- If travelling by car, keep all doors locked
- Be alert when parking and getting out of your vehicle

Vehicle Security

- Ideally, do not leave property in cars or other vehicles
- Be especially careful with small electronic equipment e.g. Sat Navs, digital cameras, mobile phones etc.
- Close all windows and lock all doors
- If you must leave property in cars, do not leave property on view
- Do not leave cash, credit / debit cards, cheque books in your vehicle
- Do not leave personal / valuable documents in your vehicle e.g. utility bills, bank statements etc.
- Avoid parking in isolated places and, at night-time, park with care in a well-lit area
- Always lock bicycles to an immovable object

Home Security

- Never leave keys under doormats, pots etc.
- Ensure your doors and windows are robust and ‘fit for purpose’ from a security perspective / standard
- Always lock your doors and close your windows when you go out
- If leaving home for a long time, try to give the impression that the house is occupied
- Keep tools and other garden implements locked away in sheds and garages
- Record, photograph and appropriately mark your property
- Ensure you have appropriate insurance in the event of a break-in, loss or damage
- Carry out a security assessment of your home and property

Remember

Crime prevention is everybody's business
